Introductions

Structure

- We have a set of questions that both Nicolás and Orazio will answer (around 5 minutes each)
- After this round of questions is done we will have an open Q&A (raise your hand to speak)

Structured Q&A

What were the main challenges you faced at the beginning?

How did you manage to make a place for your organisation in the policy space?

Which were your first sources of funding and how did you acquire them?

Which were your first sources of funding and how did you acquire them?

What was the role of the board? How did you recruit it?

What was the role of the board? How did you recruit it?

What advice would you give to someone who wants to establish a new think tank

Open Q&A
