

SCHOOL for
THINKTANKERS

On Think Tanks

Participant's presentations

Presentations

- Short presentation (2 minutes) could be spoken or using any other format) about your work/project. Options include
 - A description of your current organisation
 - Your trajectory
 - An issue you are working on
 - A project/programme/resource you are working on (or have worked)
- Then we will go into groups. We will do 2 rounds, we will set up the groups randomly, but you will be free to move around and change, just as in a live setting.

On Think Tanks

Expectations

Is there a specific issue/problem would you like to improve or resolve?

Menti 2911 0025

Expectations

- In groups, discuss (10 minutes)
 - What would you like to learn during the School for Thinktankers? Identify key issues
 - What is your objective for after the School for thinktankers? What concrete results do you want to achieve?
- Use [this google sheets slide as a flip chart](#)
- One participant per group to present summary in plenary

On Think Tanks
