Introductions

Structure

- We have a set of questions that Nicolás, Orazio and Simonida will answer (around 5 minutes each)
- After this round of questions is done we will have an open Q&A (raise your hand to speak)

Structured Q&A

Why did you want to set up a think tank?
(What inspired you?)

What steps you took to set it up?

What were the main challenges you faced?

Which were your first sources of funding and how did you acquire them?

Break

How did you set up your team?

What advice would you give to someone who wants to establish a new think tank
